Thurs	

Math-athon

Well done everyone with your Math-athon test - Great job! Now start collecting in your sponsor money. Remember to thank your sponsors for supporting you and show them your blue sponsor sheet as proof of how well you did.

This week's learning will include:

Working quietly in our learning classroom to complete set tasks on time.

Being a co-operative class member.
Water colour portraits.

Queen's Birthday**Monday 5th June - Queen's Birthday**

There was no school on Monday 5th June as we celebrated the Queen's birthday.

Write down 5 things you would do as Queen or King to make the world a better or more interesting place?

- 1.
- 2.
- 3.
- 4.
- 5.

Design and draw the crown that you would wear as Queen or King. You may like to make a crown to wear on Friday.

SPELLING P.L.L

On Monday you will have 10 words to take home to learn. These are the words that you will be using in your **Smart Words** spelling programme for this week.

Electricity Safety

Esther, from Vector Energy came to visit and spoke to us about keeping safe around electricity.

Please help you child or children find the mains switchboard and discuss how power can be turned off in an emergency.

Energy Word Find

Some words to use

ELECTRIC MAGNET DANGER
